

## Specification Sheet

Part Number: FPICONC-I

**Article Number**

854-35357

**Type**

FPICONC

**Color**

Ivory (IV)

**Features & Benefits**

- Icons are simple to remove from the wheel and with one easy insertion the icon snaps quickly into the modular faceplate.
- Multiple colors available to assist with color coding.

**Product Description**

Available in the same colors as the modular jacks, HellermannTyton's icons are ideal for identifying the modular faceplates. They are offered in rings of 16 icons with six rings in a bag. Each ring contains five voice icons, five data icons and six blank icons.
